## Commander's Report

It has been a very active two month period since the Knoxville Congress in July. I have had the honor of commanding the Color Guard at the Installation Banquet in Knoxville, at the Commemoration of the Battle of Blue Licks in Kentucky, at the Fall Leadership Meeting in Louisville, the grave markings of Joshua Jones and George Vest, and at the Anniversary of the Battle of Kings Mountain in South Carolina.

I have also approved 11 medals - 6 Molly Pitcher Medals and 5 Silver Color Guard Medals. Please review the Color Guard Handbook for the qualifications for these medals as well as the National Von Steuben Medal for Sustained Activity. The application forms for these can be found on the National website.

The following goals have been established for the National Color Guard for 2017 to 2018:

- 1) Establish published safety protocols and procedures with respect to Color Guard conduct and use of weaponry at events.
- 2) Positively represent the SAR on the national, state and local level by member participation in historic events, celebrations, seminars, workshops, educational presentations and other venues.
- 3) Continue to provide suitable recognition of Color Guard members and others for participation in SAR events.

With respect to the first goal an ad hoc committee was formed on 14 August to study issues related to Color Guard safety and develop an outline of proposed protocols and procedures. This outline was presented at the Color Guard Committee meeting during the Fall Leadership meeting. Members are now asked to contact the committee with any additional comments or questions between now and the end of November.

After the end of November, the ad hoc committee will begin the process of finalizing actual policies and procedures. These will be published in the first issue of this newsletter next year for members to review prior to the 2018 Spring Leadership meeting. At that meeting, the Color Guard Committee will vote on the proposed policies and procedures.

With respect to the third goal, nominations for Color Guardsman of the Year are due to me no later than 31 December of this year. This award will be voted on at the 2018 Spring Leadership meeting. Please review the Color Guard Handbook for criteria for this award.

Let me end this column by once again stating my thanks to each Color Guardsman. You are the face of the SAR on the national and state level. Most importantly, you are the face of the SAR in your local community. I am truly honored to serve with each of you.

My best wishes for each of you during the upcoming holiday season.

Mark C Anthony, Commander

# Vice Commander's Dispatch Colorguardsman of the Year

My wife Un Hui and I recently had the opportunity to attend our fourth Honor Flight return to Los Angeles International Airport. We were there with hundreds of other patriotic citizens, military personnel and first responders. Also at the event were members of the Los Angeles Fifes and Drums. Compatriot Matthew Noell is a fifer with the LA Fifes and Drums and a member of the Orange County Chapter (CA),

SAR.

For those of you who do not know, Honor Flight is a non-profit organization created solely to honor America's veterans

for all their sacrifices. They transport our heroes to Washington, D.C. to visit and reflect at their memorials. Top priority is given to the senior veterans – World War II survivors, along with those other veterans of the Korean War and Vietnam War who may be terminally ill.

Of all of the wars in recent memory, it was World War II that truly threatened our very existence as a nation—and as a culturally diverse, free society. According to the Department of Veterans Affairs, an estimated 640 WWII veterans die each day. Our time to express our thanks to these brave men and women is running out.

Honor Flight has Regional Honor Flight Hubs in 46 states. I understand that in addition to the California Society, NSSAR color guardsmen from the Missouri Society participate in Honor Flight programs in their area.

Recently NSSAR Color Guard Commander Mark Anthony asked me to prepare a proposal identifying Honor Flight as a NSSAR National Color Guard Event. Please contact me if your chapter or society participates in the Honor Flight program. I will include the information about how your color guard is involved with Honor Flight in the proposal.

James C. Fosdyck, Vice Commander  
NSSAR Color Guard,

## *2017 SAR Vigil at Washington's Tomb*

On the morning of 16 September thirteen Compatriots from 6 states, gathered to march to the General's Tomb on Mount Vernon. Past National Color Guard Commander, Dave Hoover asked George Strunk, a General George Washington Chapter President, to lead the color guard to the Tomb. This year's march route went past the Colonial Market Fair and First Virginia encampment. Fourteen compatriots participated this year representing seven State Societies (NC-5; IL-3; MD-2; GA-1; OH-1; PA-1; TX-1). One DAR member was present in period dress. We had some practice time to rehearse the change procedure before the docent arrived to open the tomb and place the flags. We changed the guard every 15 minutes from 9:30 until 12:00, took a lunch break and resumed duty from 1 to 3:00 PM. It was certainly an honor and privilege to participate in this high visibility event on a historic estate on a beautiful day in September.

## From the Editor

Welcome compatriots.

I want to thank all of the color guard Commanders and members who took the time to submit photos and content for this issue.

This issue has 11 state societies submitting color guard activity from the last 3 months. I'm sure that every state with a color guard, either at the state level or the chapter level, will have some **Fall** activities to report for the Winter issue. These **Fall** activities could include **Veterans Day, battle site commemorations, Wreaths Across America or any of the other events listed elsewhere in this issue.** I will look forward to having those state color guard commander absent from this issue submitting something for the Fall issue.

I was pleased to have content from some states submitting duplicate copies of the same content from different SAR members. This is a good thing in that members feel comfortable enough to send something in.

So that it will be easier for me to collect, compile, and format the issues in the future, let's review the preferred steps:

- Chapter color guard commanders, or a chapter officer, should submit their content **to the state color guard commander** for him to review and forward to me. This ensures

that the state color guard commander is kept informed of chapter color guard activities - a Chain of command issue.

- The preferred method of submissions is by e-mail with **attachments**.
- Please do not embed photos into any document** (WORD, e-mail, or PDF) - submit photos separately from accompanying document. Embedding a photo reduces the resolution and limits the photo size that I can use in this publication.
- Pictures should have accompanying them a list of those in the picture and who took it. Ex: 'Photo-img-1234 is of event X, with members X,Y, & Z. Photo by ABC'

When submitting content (photos and text) please consider this: **The Colorguardsman** is for spreading the news about color guard activities. Whenever your state or chapter color guard does something, that event information is what should be submitted. State or chapter presentations **not** involving the color guard are more appropriately submitted to the **SAR Magazine**. When compiling the issue, I look for and select those color guard activities over chapter non-color guard presentations.

Thank you for your help. Please forward this issue to your state's chapter color guard commanders for dissemination amongst their color guard members.

## Revolutionary War Military Decorations

As has been frequently mentioned in the many discussions concerning the wearing of our SA medals during our color guard events, there were only three recipients of the precursor to the Purple Heart medal. Those soldiers so honored were:

- Sergeant Elijah Churchill of the Second Light Dragoons
- Sergeant William Brown of the Fifth Connecticut
- Sergeant Daniel Bissell of the Second Connecticut Regiment

What is generally not accepted knowledge is that there were other decorations that soldiers (privates and non-commissioned officers) wore on their clothes (uniforms or whatever). Both were for more than three years of service for "bravery, fidelity, and good conduct." The first was called "Honorary Mark of Distinction" through General Washington's Revolutionary War Order. And the other similar decoration was the "Honorary Badges of Distinction". The operative word here is 'badge.' Both of these clothe chevron decorations were to be worn on the left sleeve and signify 4 and then 8 years of satisfactory service<sup>1</sup>.

Thus, for those of use representing our patriot ancestor who did serve either 4 or 8 years of service should be able to appropriately wear a representation chevron on our military regalia.

## AZ SAR Increases Cooperation with the Dysart Unified School District

By Christopher J. Raso

The ongoing collaboration between Canyon Ridge School and the Arizona Sons of the American Revolution continues to grow. In preparation for our U.S. Constitution Day celebration, members of the AZ SAR presented the Colors at the Dysart Unified School District governing board meeting on September 13, 2017. This event marked the first appearance of SAR at the highest level of our school district operations.

It also provided an opportunity for teachers, parents, principals and members of the community, to acknowledge the efforts of SAR members in our public schools. A statement presented by the Dysart Governing Board declared "We thank the members of the Arizona Sons of the American Revolution for presenting the Colors this evening and for their positive impact on the students of the Dysart Unified School District. We look forward to their second annual Constitution Day program at Canyon Ridge School and hope that they will continue to be our community partners."

Following the successful "Meeting the Founders" activity on Constitution Day, which highlighted the combined talents of costumed seventh grade learners and our adult performers, the AZ SAR will be participating in the ninth annual Veterans Day program at Canyon Ridge School on November 9, 2017. It promises to be a great patriotic event!

## CONNECTICUT

6 August 2017 - ALL WARSTIME LINE  
EVENT in Woodbury, CT

Five members of the Gov. Oliver Wolcott detachment of the Connecticut Line (Paul Selnau, Derek Brockhoff, Martin Spring, Jon King and Mike Byrd) participated in this year's event. It took place at Hollow Park, the organizer was Ray Manzi of the 2nd Connecticut Heavy Artillery. The park is a perfect venue for this event with an open field, ample paved parking and rest room facilities. To identify each group, large "A" frame signs were setup in a semi circle around the field for each American War beginning with us - Revolutionary War

We set up a partial encampment with a couple of small tents, fire irons, seats and brought the historic flag display of the Gov. Oliver Wolcott, Sr. Branch. We set up in an open arrangement that allowed spectators to walk through our site and ask questions.

Other groups had larger encampments & vehicles but we had a good display given our partial availability for the date. Conservative estimates were that about 1,000 spectators attended throughout the day. All of us would tell you that we had groups of people engaging each of us the entire time. We drilled and paraded several times during the day and fired our muskets periodically to draw in the crowd

Many of the spectators were Vets and many showed up in uniform.

As of now, they plan on adding military vendors (shirts, memorabilia etc), more food vendors & maybe adding a military vehicle show. The society looks forward to participating again next year.

## The 236th Anniversary of the Battle of Groton Heights – NSSAR Silver Color Guard Event

Members of the Connecticut Line of the Connecticut SAR Color Guard/Living History Unit enter the fort during the presentation of colors for the commemoration and memorial ceremony Sunday, Sept. 3, 2017 of the Battle of Groton Heights at Fort Griswold on Sept. 6, 1781.

In the battle 165 American Militia attempted to defend the fort against 800 British forces under the command of Benedict Arnold. The fort was overwhelmed and many were killed following the surrender by Col. Ledyard.

A welcoming was given by the Mayor Keith Hedrick of Groton, and the invocation was given by the Rob Guilliams, Deputy Command Chaplain at Naval Submarine Base New London.

The Friends of Fort Griswold participated in a ribbon cutting ceremony for the new granite layout inside the fort of the original foot print of the barracks.

During the ceremony, the 88 names of the slain defenders of Fort Griswold were read by the descendants of these patriots who gave all.

Following the reading of the names, VPG Kenneth D. Roach of the New England District and Steve Frash of the Ohio Society placed two wreaths inside the fort at the site where Col. Ledyard died.

The Connecticut Line provided a three volley musket salute after the laying of the wreaths.

The ceremony was hosted by the Friends of Fort Griswold Battlefield State Park Foundation.

Preceding the event inside Ft. Griswold the Connecticut Line had a grave marking ceremony at the grave site of Col. Ledyard in the Ledyard Cemetery about ½ mile away.

## South Carolina & North Carolina Grave Marking for Patriot Joshua Jones

On Saturday 9 September, 67 people gathered on the Western Trace of the Biltmore Estate outside Asheville, NC to honor the memory of Patriot Joshua Jones. Members of the SAR, DAR, Biltmore Estate and the public – including 23 descendants – comprised the gathering. Color Guardsmen from North Carolina, South Carolina and Georgia participated in both presenting flags and firing a musket volley.

The setting was on a hill overlooking a valley covered in grape vines surrounding a lake. This land was a portion of the approximate 620 acres Patriot Jones was awarded after the Revolution. This land now is a part of the 8,000 acre Biltmore Estate having remained in the Jones family until purchased at the close of the 19th Century by Cornelius Vanderbilt.

Patriot Joshua Jones signed a number of Oaths of Allegiance in the western counties of North Carolina and was listed as being wounded at the Battle of Kings Mountain.

The grave marking service was the brain child of Compatriot Paul Cashion of the Daniel Morgan Chapter in South Carolina who is a descendant of Patriot Jones. Compatriot Cashion made this grave marking his initial event as an SAR Color Guardsman.

The American Legion held its 99th annual convention in Reno Nevada this year during the last week of August. President General Guzy was in attendance and extended his greeting on behalf of the Sons of the American Revolution during the Legion's General Meeting... During his visit in Reno, President General Guzy was hosted by Compatriots David Hess and Roger Linscott (of the Battle Born Patriots Chapter) on his tour of the area, including sightseeing at Virginia City (with a great lunch at the Cider Factory). Later that evening, at the Louis' Basque Corner Restaurant, he appointed David and Roger Aides de Camp, with the special SAR PG's Aide de Camp pin. Western District Vice President General Dr. Kent Gregory joined the group, that also included, members of the Battle Born Patriots Chapter Color Guard and NV Society Color Guard Commander Gary Parriott for a great dinner of traditional specialties such as paella, tongue & oxtails served family-style by costumed servers.

## Badge of Military Merit

The Badge of Military Merit is considered the first military award of the United States Armed Forces. Although the Fidelity Medalion is older, after being issued to three soldiers for a specific event in 1780 it was never awarded again, so the Badge of Military Merit is often considered the oldest. The Purple Heart is the official successor decoration of the Badge of Military Merit. The Badge of Military Merit was first announced in General George Washington's general orders to the Continental Army issued on August 7, 1782 at the Headquarters in Newburgh. Designed by Washington in the form of a purple heart, it was intended as a military order for soldiers who exhibited, "not only instances of unusual gallantry in battle, but also extraordinary fidelity and essential service in any way."

Brown's badge was found in a Deerfield, New Hampshire barn in the 1920s. There is disagreement in published sources about what became of Brown's badge after that. A badge on display at the American Independence Museum in Exeter, New Hampshire on behalf of the Society of the Cincinnati, New Hampshire Branch is stated to be Brown's. Other sources say that Brown's badge was reported lost in 1924 while in the possession of Bishop Paul Matthews, and that the badge on display in Exeter belongs to a fourth, unknown recipient.

As of 2015, Churchill's badge was owned by the National Temple Hill Association and on display at the New Windsor Cantonment State Historic Site. Churchill's badge was rediscovered when H. E. Johnson, a Michigan farmer and one of Churchill's descendants, wrote to the National Temple Hill Association about the badge. Bissell's badge was reportedly lost when his house burned in July 1813.

After the Revolutionary War, the Badge of Military Merit fell into disuse although it was never officially abolished. In 1932, the United States War Department authorized the new Purple Heart Medal for soldiers who had previously received either a Wound Chevron or the Army Wound Ribbon. At that time, it was also determined that the Purple Heart Medal would be considered the official "successor decoration" to the Badge of Military Merit.

pear on the calendars are included in the rows that are grayed out. Since the specific contact person can change frequently, the hosting state society or chapter is listed as the contact point. Compatriots wishing to get more details about a specific event are directed to contact the hosting state society or chapter. If a state or chapter wishes to have an annual event added, they need to contact the chairman of either committee.

Please note that dates are subject to change, so compatriots are encouraged to confirm the actual date with the hosting entity. This is especially the case with the Battle of Saratoga as the National Park Service has indicated that it is considering holding two separate events with one focusing on the American side and the other focusing on the British. This plan may change into just a single event. Please confirm with the Empire Society and/or NPS for final details as the initial September event date approaches.

The following criteria must be met to be considered as a National Historic Site & Celebration:

- A recognized battle or event of the Revolution must have occurred at or near the proposed location
- Established history of an event being held by a NSSAR Chapter or State Society
- Evidence of participation by multiple NSSAR State Societies or Chapters and other organizations at the event
- The history of the event that indicates that it will continue into the future
- A written packet of information prepared for distribution to the Committee in advance and to contain:
  - Information about the battle or event
  - Evidence as to why it is important that the event be considered of national significance
  - In a state with no Revolutionary War battle or event sites, an explanation as to why the proposed event should be considered of national significance

As a note, the National SAR Color Guard Committee recognizes additional holidays and events so that individual members can more easily qualify for certain Color Guard medals.

\*\*\* The Massing of Colors is now applicable to any such event held in any location across the nation. As such, a Massing of Colors can be held on any date and still be considered a National Color Guard event. The date for the original Massing of Colors in Burbank, CA is used above. With the new designation of the Massing of Colors, this event along with Fields of Honor/Healing Field, Memorial Day, July 4th, Veterans Day and Wreaths Across America are considered National Color Guard events without a single location at which the event occurs.
