

The Greatest Generation

World War 2
Victory Medal

As adopted from The Words of Tom Brokaw in his book *The Greatest Generation*, every generation has its share of men who fully lived the art of manliness. But there may never have been a generation when the ratio of honorable men to slackers was higher than the one born between 1914 and 1929. These were the men and women that grew up during the Great Depression. They are those who went off to fight the Big One. And they are the men and women who came home from that war and built the nations of the Western World into economic powerhouses. They knew the meaning of sacrifice, both in terms of material possessions and of real blood, sweat, and tears. They were humble men and women who never bragged about what they had done or been through. They were loyal, patriotic, and level-headed. They were our Greatest Generation.

The SAR is proud of our World War II Veterans. Of the 826 Compatriots who are registered members of the SAR World War II Veterans Corps, 566 remain with us. Their service remains permanently etched in our hearts and in granite at the entrance to our nation's World War II Memorial: "...we honor those twentieth century Americans who took up the struggle during the Second World War and made the sacrifice to perpetuate the gift our forefathers entrusted to us—a nation conceived in liberty and justice."

In keeping with the President General's initiative to ensure that each living World War II Veterans Corps Compatriot has an opportunity to be remembered on

Veterans Day, all District Vice Presidents Generals will be sent electronic "Grateful Nation Remembers" certificates toward the end of October. Each certificate shall hold the names of those who are still with us and who are in his area of responsibility. On receipt of the certificates, VPG's are asked respectfully to forward the "Grateful Nation Remembers" list to the State Societies Presidents under his purview and with a request that each Compatriot that is identified thereon be remembered and honored appropriately on Veterans Day.

As you may know, Former President George H. W. Bush—the 41st President of the United States (1989-1993)—is a member of the National Society of the Sons of the American Revolution. Further, President George H. W. Bush is a decorated World War II Navy Pilot. He received the Distinguished Flying Cross and three Air Medals for combat operations in aerial flight against the Japanese in the Bonin Island, 1944.

Lt (jg) George H. Bush

Distinguished Flying Cross

Air Medal

"Lest we forget" his service to country during the Second World War and that of our living WWII Veterans Corps Compatriots, on the following pages we commemorate their names as members of "The Greatest Generation."

"Lest we forget" has roots in Rudyard Kipling's "Recessional" poem to spare England from oblivion or profanity. With the passage of time, these three words have become renown across most countries to show remembrance of those who have fought and/or served. It's a plea not to forget past sacrifices; else passing out of existence befalls even the most powerful people, armies and nations.

Thank you Veterans; Lest we forget.
