### President General Thomas E. Lawrence's Message

**On Veterans Day**  
*We honor all who served.*

Many Americans mistakenly believe that **Veterans Day** is the day America sets aside to honor American military personnel who died in battle or as a result of wounds sustained from combat. That's not quite true! **Memorial Day** is the day set aside to honor America's War dead.

Veterans Day is intended mainly to thank **LIVING** veterans for dedicated and loyal service to country. In this regard, I say on behalf of all our members that those who served are not just Veterans, they are unique Compatriots. Like our forefathers, who gave us our Constitution, the Bill of Rights, an independent Supreme Court, and a Nation of Free Men, they are heroes. We owe so much to them. Let us never forget them nor forget the sacrifices they made for us. Clearly, their service to country is deeply appreciated.

  
 Thomas E. Lawrence, President General

## **President General Lawrence's Veteran Recognition Committee (VRC) Initiatives 2015-2016**

With his induction at the 125<sup>th</sup> National Congress, Present General Thomas E. Lawrence issued guidance and promulgated initiatives for the VRC. Namely the VRC Charter, prior President Generals' decisions concerning the establishment, administration, and management of SAR Veterans Corps remain intact. In detail specific initiatives assigned to the Veterans Recognition Committee are posted at the "Documents" tab of the VRC website. Go <http://www.VetCorps.Info/>.

Below is an Executive Summary of President General Lawrence's 2015-2016 VRC Initiatives:

1. Continue the Grateful Nation Remembers Program until the last Compatriot of the World War II Veterans Corps passes-on or until this program is dissolved at the discretion of the incoming President General.
2. Continue the publishing of the SAR Veterans Bugle Newsletter until this task is dissolved at the discretion of the incoming President General.
3. The Military Service Veterans Corps Task Force is dissolved, with all its functions and responsibilities becoming standard components of the Veterans Recognition Committee alongside the other SAR Veterans Corps. ## The Greatest Generation

As adopted from

The Words of Tom Brokaw in his book *The Greatest Generation*, every generation has its share of men who fully lived the art of manliness. But there may never have been a generation when the ratio of honorable men to slackers was higher than the one born between 1914 and 1929. These were the men and women that grew up during the Great Depression. They are those who went off to fight the Big One. And they are the men and women who came home from that war and built the nations of the Western World into economic powerhouses. They knew the meaning of sacrifice, both in terms of material possessions and of real blood, sweat, and tears. They were humble men and women who never bragged about what they had done or been through. They were loyal, patriotic, and level-headed. They were our Greatest Generation.

The NSSAR is proud of our World War II Veterans. Of the 855 Compatriots who are registered members of the SAR World War II Veterans Corps, 457 remain with us. Their service remains permanently etched in our hearts and in granite at the entrance to our nation's World War II Memorial: "...we honor those twentieth century Americans who took up the struggle during the Second World War and made the sacrifice to perpetuate the gift our forefathers entrusted to us—a nation conceived in liberty and justice."

## A GRATEFUL NATION REMEMBERS

Picture of WWII Memorial on the National Mall in Washington, D.C.

In keeping with the President General's initiative to ensure that each living World War II Veterans Corps Compatriot has an opportunity to be remembered on Veterans Day, all District Vice Presidents Generals were sent electronic "Grateful Nation Remembers" certificates. Each certificate held the names of those who were still with us and in his area of responsibility. Each VPG was respectfully requested to forward the "Grateful Nation Remembers" list to the State Societies Presidents under his purview and request that each Compatriot identified thereon be remembered and honored appropriately on Veterans Day.

*"Lest we forget" has roots in Rudyard Kipling's "Recessional" poem to spare England from oblivion or profanity. With the passage of time, these three words have become renown across most countries to show remembrance of those who have fought and/or served. It's a plea not to forget past sacrifices; else passing out of existence befalls even the most powerful people, armies and nations.*

*Thank you Veterans; Lest we forget.*

"Lest we forget" their service to country, the following commemorates the current list of the SAR World War II Veterans Corps members. Names are arranged by State Society, with a creation date of 3 Nov 2015.

## Korea: The First Undeclared War—Forgotten,

*Unknown,*

*and Unfinished.*

*For the White House, Joint Chiefs of Staff, Congress and American people during the 1950's, the Korean War never measured up to its precedent, The Second World War. Korea was fought in a remote, backward country of no vital or strategic interest, and it ended in a deadlock—where no matter how much time has been allowed to pass, the conflict has never resolved itself. President Truman never acknowledged it as a war, even though he was responsible for sending American troops to fight in it, without seeking a mandate from Congress and prior to a United Nations mandate. Clearly this was the United States' first modern undeclared war, which changed the eligibility criteria for the awarding of the Sons of the American Revolution third oldest medal—The War Service Medal.*

*Throughout its history, the United States has formally declared war against foreign nations five times. Congressional Declarations of War sanctioned the War of 1812, Mexican-American War, Spanish-American War, World War I and World War II. Following the end of the War with Spain, the SAR War Service Medal was authorized in 1899 for members who had served in uniform during that war. The medal was generic in that it was awarded to members of the military of that time. The generic nature for awarding the SAR War Service Medal remained during the declared World War I and II. All that was required of a Compatriot to receive the SAR War Service Medal during those wars was to have been in uniform. With the advent of "undeclared wars," the criteria for the awarding the SAR War Service Medal changed. The medal today is authorized for those who have served in the armed forces of the United States (or a country that was an ally of the United States or in a United Nations Peace Keeping Force) and fought against a common enemy of the United States in a war or action that has been recognized by a branch of the Armed Forces of the United States and for which a campaign medal and ribbon has been authorized.*

*Not all Compatriots know or appreciate the distinction between declared and undeclared wars. In the next NSSAR Veterans Bugle, the VRC will discuss this matter. Further, it will illuminate concern the VRC has when improper staff action occurs because of failure to seek comments, recommendations, and/or concurrence with those who have oversight authority on the matter under consideration.*

27 July 2014 marked the 61<sup>st</sup> Anniversary of the Korean Armistice Agreement. The armistice of 1953 was not signed by Heads of States representing their nations, but those signing the armistice were U.S. Army Lieutenant General William Harrison, Jr., for the United Nations Command and North Korean General Nam Il for the North Korean People's Army and the Chinese People's Volunteer Army. A representative of South Korea didn't sign the agreement; but the country's official position was that it would not obstruct the Armistice Agreement's implementation.

As we know an armistice agreement is usually a temporary measure, created to give warring parties ample time to negotiate a peace treaty. But a final settlement hasn't happened. The Korean Armistice Agreement remains a truce document. Yet armed forces of South Korea and the United States stand at the ready while armed North Korean troops stand at the ready, each opposing force monitors the movements of the other across a 2.4 mile demilitarized zone.

Strange reality exists, concerning the Korean War and its aftermath. Chief in this regard is the fact the war never ended with a peace settlement. Any veteran from the WWII era knows if he was a participant in a World War. But many Compatriots who served in the first undeclared war of the 1950's and beyond in the defense of South Korea may not know they are eligible for the Korean Service Veterans Corps. Clarification on this matter comes clear when you review the history of the five campaign medals the VRC looks for when a Compatriot submits a survey to join the Korean Service Veterans Corps.

Much thought has gone into the structure for qualifying Compatriots for the Korean Service Veterans Corps (KSVC). Our guidance conforms to SAR Policy—especially as it links the awarding of an SAR War Service Medal to Campaign Medals, Service Medals and/or Armed Forces Expeditionary Medals. Thus the following is presented to help Compatriots understand how medals as shown above qualify them to become a member of the Korean Service Veterans Corps and to receive a Certificate of Patriotism signed by the President General.

(1) **The National Defense Service Medal** is a campaign medal, reflecting only military service. It **is not a** qualifying medal for this program or the awarding of the War Service Medal.

(2) **Korean Service Medal (KSM)** is a U.S. Campaign Medal. It has specific dates associated with it. It's the primary United States medal for participation in the Korean War and is awarded to any U.S. service member, who performed duty in the Republic of Korea, between June 27, 1950 and July 27, 1954.

(3) **AFEM is a U.S. Campaign Medal.** The medal is awarded for participation in any military campaign of the United States for which no other service medal is authorized. This medal has been awarded for at least 45 designated military campaigns, from events such as the Cuban Missile Crisis and Korea to retroactive campaigns such as Quemoy and Matsu. Sometimes the AFEM is authorized before a specific campaign medal is authorized; witness the authorization of the AFEM before the effective dates of the Vietnam Service Medal and Southwest Asia Service Medal.

(4) **Korean Defense Service Medal (KDSM)** is a U.S. Campaign Medal authorized for those members of the United States Armed Forces who have served actively in the defense of the Republic of Korea, after the signing of the Korean Armistice Agreement. It was created in 2002 when it was signed into law by President George W. Bush. The Korea Defense Service Medal is retroactive to the end of the Korean War and is granted to any service performed after July 28, 1954. The National Personnel Records Center is responsible for verifying entitlement of the KDSM to discharged members of the military who served in Korea prior to the creation of the KDSM. As an official Department of Defense exception to policy, service members may be entitled to both the Armed Forces Expeditionary Medal and the KDSM for participation in operations in Korea during the same timeframe between October 1, 1966 - June 30, 1974. Only one award of the Korea Defense Service Medal is authorized, regardless of the amount of time or tours served in the Korean theater.

(5) **United Nations Service Medal (UNSM)** is an international military decoration which was established by the United Nations on December 12, 1950. The decoration was the first international award ever created by the United Nations and recognized the multi-national defense forces which participated in the Korean War. The UNSM today is known as the United Nations Service Medal for Korea (UNKM). Although it's not a U.S. Campaign Medal, we need to understand its history, for if a compatriot indicates he has this medal we need to inquire further as to what U.S. Campaign Medal it is tied too. In the United States Armed Forces, any service member

awarded the Korean Service Medal is automatically granted the United Nations Service Medal.

(6) Korean War Service Medal (KWSM), also known as the Republic of Korea War Service Medal (ROKWSM), is not a U.S. Campaign Medal. It's a decoration of South Korea which was first authorized in December 1950. Like item (5) above, it's valuable to know its history.

Initially we did not authorize our troops to wear this medal. In 1954, the South Korean government authorized the now called Korean War Service Medal to all United Nations troops who had fought in the Korean War between the dates of June 25, 1950 to July 27, 1953. While a number of countries accepted the award, at the time of the Korean War Service Medal's presentation to U.N. troops the United States of America declined to award the medal to U.S. soldiers. This was based on regulations of the time which curtailed the acceptance and the wear of foreign decorations on U.S. military uniforms. Although subsequently some veterans attempted to have the decoration accepted, the Korean War Service Medal faded into history and was not heard of again until 1996. At that time the Army noted that it could find no record that the Korean Government ever offered the medal to the Department of Defense. This was technically true since the original offer was made to the United Nations Command. The Army took the position that unless the Korean Government resurrected their original offer, it was "not in a position to officially recognize or approve acceptance of the medal."

In 1999, the South Korean government proposed the decoration be reactivated and retroactively awarded to all Korean and U.N. veterans who had served in the Korean War. On August 20, 1999, Francis M. Rush Jr., Principal Deputy Assistant Secretary of the Army authorized the Korean War Service Medal for distribution and wear by service members of the United States military. The task of issuing the medal was assigned to Randolph Air Force Base while the National Personnel Records Center was responsible for providing documentation to verify eligibility.

After reading this and believing that you may qualify for the Korean Defense Veterans Corps, submit a current dated Universal VetCorps Survey Form. To receive a savable, fillable and emailable copy of that form, download the same from the VRC Website at <http://www.VetCorps.Info/>.

*Thank you Korean Service Veterans,  
Lest we forget freedom is not free.*

**United States American Vietnam War Flag,**  
shown below, has a heraldry that is profoundly moving,  
especially as we say thank you Vietnam War Veteran Corps  
Compatriots for your service to country.

The green laurel wreath about the flag signifies honor for all who served. The phrase **“A Grateful Nation Thanks and Honors You”** is the personal message to each veteran, civilian, family member, and all who served and sacrificed during the Vietnam War. The seal’s blue background is the same color as the canton in the United States Flag. When placed next to the flags of World War II and Korean War Commemoration Flags, the Vietnam War Commemoration Flag signifies that the Vietnam Veteran takes his or her rightful place among generations of U.S. veterans.

Slogans of the three Commemoration Flags are:  
 1. WWII—A Grateful Nation Remembers.  
 2. Korea—Freedom Is Not Free.  
 3. Vietnam—A Grateful Nation Thanks and Honors You.

## Vietnam War Veteran—Welcome Home!

*Like most wars, for some they never end. They linger in memory as not so old and far off forgotten things, until the people of America say “welcome home.” Then and only then are they free.*

### The Vietnam War Veteran Corps

Eligibility for joining the Vietnam War Veterans Corps consists of (1) having been classified as a Vietnam War Veteran, in that you served in that conflict between 28 Feb 1961 and 7 May 1975; and (2) that you have been awarded the Vietnam War Service Medal (VSM).

### The Vietnam Era Veterans Issue

Vietnam Era is a term used by the U.S. Department of Veterans Affairs to classify veterans of the Vietnam War. For VA purposes, in accordance with the Code of Federal Regulations Chapter 38 Paragraph 3.2 (f), the Vietnam Era is the period beginning on February 28, 1961 and ending on May 7, 1975, inclusive, *in the case of a veteran who served in the Republic of Vietnam during that period.*

For those who did not serve in the Republic of Vietnam the term Vietnam Era is defined as the period beginning on August 5, 1964 and ended on May 7, 1975, inclusive.

The U.S. Congress, U.S. Department of Defense and the Department of Veterans Affairs elected to designate those years as such into two groups to accord special privileges to all persons who served the country's armed forces during those time frames.

*Thank you Vietnam War Veterans, Less we forget  
Một quốc gia biết ơn cảm ơn và danh dự bạn.*

*The Vietnamese words directly above translate to  
“A Grateful Nation Thanks and Honors You.”*

## SW Asia War Service

*History will show that the SWAsia Veterans of the Sons of the American Revolution fought in Mesopotamia and parts of CentralAsia. Mesopotamia is a strategic focal point which includes a significant part of the Fertile Crescent that is often considered the cradle of civilization and the birthplace of writing and the wheel.*

*Yes, we fought there recently, not once but twice. First it was the Persian Gulf War (2 August 1990 – 30 November 1995). Then it was the Iraq War (20 March 2003 – 18 December 2011). U.S. involvement there and beyond persists as the fight the fight against militants of the Islamic State of Iraq and the Levant demands. Why? Geopolitical reasoning makes it so.*

*"Mesopotamia has been the strategic focal point of the region for millennia. Its resources affect countries far away. The dividing line between the Shiite and the Sunni worlds runs through its center – indeed, through its capital. Iraq's Kurdish provinces rest uneasily between Turkey and Iran and indigenous adversaries within Iraq. It cannot be in the American interest to leave the region...." (Henry Kissinger, Op Ed The Washington Post, Wednesday, February 3, 2010.)*

**Invasion of Kuwait**—On 2 August 1990 at 0200, Iraq launched an invasion of Kuwait with four elite Iraqi Republican Guard divisions, and Iraqi Army special forces units equivalent to a full division. The main thrust was conducted by the commandos deployed by helicopters and boats to attack Kuwait City, while other divisions seized the airport and two airbases.

*The U. S. response to the Invasion of Kuwait was swift and deadly, for three campaigns occurred from 2 Aug 1990 to 30 Nov 1995.*

**The Importance of Mesopotamia is to the left, and the importance of Central Asia is below.**

*Dick Cheney 1998 addressed the region's geopolitical significance. Namely, vast oil and gas reserves exists in the Caspian basin and are of immense importance in global power play during the next century, for the U.S., Russia, China, and Iran. The U.S. has an interest there:*

*A passive and friendly Afghanistan compliments our vision of how fuel should be exported from the region through Afghanistan to the ports of Pakistan.*

*To transport all the Caspian basin's fossil fuel through Russia or Azerbaijan would greatly enhance Russia's political and economic control over the central Asian republics and diminish America's long-term influence on the region. To export it via Iran would turn a regime which the US has been relentlessly seeking to isolate into a major regional power in its own right.*

## Military Service Veterans Corps

*Compatriots of Military Service Veterans Corps are unique. Although they are not eligible for one of the war SAR Veterans Corps, they answered the call -- drafted or volunteered, when it was popular and when it was not. Clearly when America needed its guardians of freedom, members of the SAR Military Service Veterans Corps were there. Since the end of World War II, their members have served around the globe for more than 70 years. They complemented our Armed Forces, ensuring that the Constitution and freedoms established by our founding fathers would not die. They served at home and at times in locations most of us haven't heard of. They did it in the air, on land and at sea. They served with our active duty forces, our reserve forces and with the National Guard. They have served with conviction, honor and pride.*
