British satellite historians claim to have discovered the true location of an iconic American revolutionary ship which defeated the Royal Navy off the Yorkshire coast.

En route to raid British shipping, Jones' warship, Bon Homme Richard (named after Benjamin Franklin), came head to head with the more powerful English warship HMS Serapis off the North Sea.

During the closing stages of the battle, Bonhomme Richard's mast was hit above the top-sail, sending a large section of the mast and the ship's Colors crashing to the deck near Jones's feet. "Serapis called out, 'Have you struck your Colors?' Resoundingly, John Paul Jones exclaimed, 'Struck Sir? I have not yet begun to fight!'. The crew of Jones ship managed to board the Serapis and took it from the British.

## Wreaths Across America in Arizona

From the Revolutionary War to present day conflicts, our veterans are devoted sons and daughters, fathers and mothers, sisters and brothers. They come from all backgrounds in life to place those lives on the line for our freedoms. There are millions of individual stories to tell. We understand we have Veterans Day in the fall and Memorial Day in the spring, but our service members sacrifice their time and safety every single day of the year to preserve our freedoms. Wreaths Across America is another day to remember those that given their all.

The Tucson Chapter in Arizona participated at the Evergreen Cemetery Tucson Arizona . Picture left, Richard Collins, AZ CG Adjutant, followed by the rider less horse with the boots in stirrups backwards.. Picture right, Sandra Lawford and Barbara Collins holding flags, Al Niemeyer, George Lipphardt, John Bird in the wheel chair and Bill Aurand.

On December 15, 2018 the Prescott Chapter and Bill Baran of the Palo Verde Chapter participated in the Wreaths Across America program at the Prescott National Cemetery. The cemetery received over 2000 wreaths this year to present. Our color Guard stood guard for over an hour and Gene McCarthy and Jim Laursen presented the wreath for all those veterans who committed suicide, 22 each day. Then we took part in the placement of the other wreaths.
